FOR

Concrete Construction – Barrier-Free Parking Spaces

ADDENDUM ISSUE DATE: Thursday, July 30, 2026

Project Timeline

Completion of this project will ideally occur by Friday, October 30, 2026, weather permitting. If this date cannot be met, please include your estimated completion date in your Quote.

Clarification on Concrete & Masonry Work

Removed bricks will be replaced on the sides of the ramp, as shown in the attached photograph. The metal grate is *not* part of this project. This photograph is simply an example, and the Plan Set included in the RFP should be followed.
