To use Hoopla on your Apple device, download the Hoopla Digital app from the Apple App store.

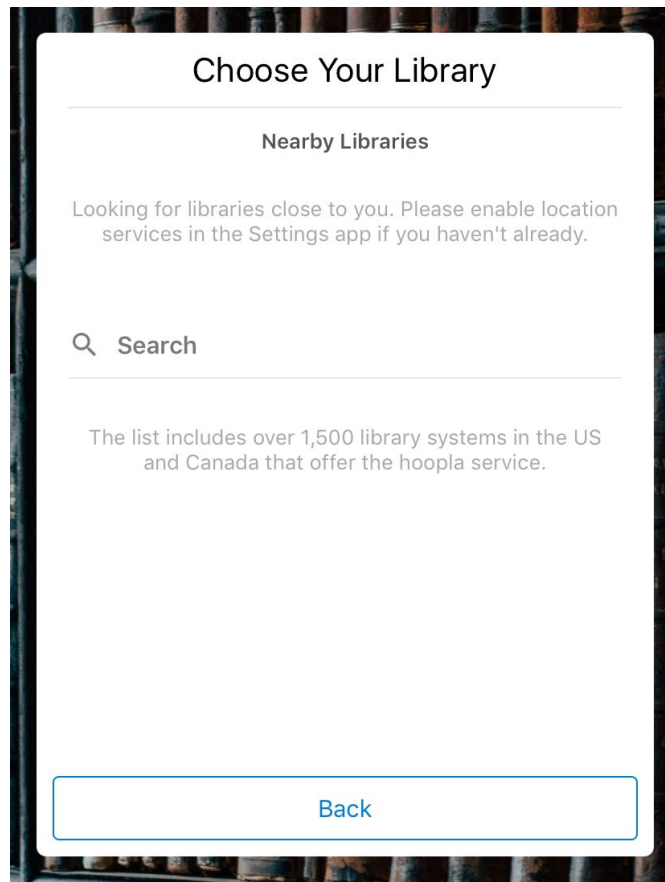

If you already have a Hoopla account, **enter your email address and password**, and then **tap the Log In button**. If you don't, **tap "Don't have an account? Sign Up"** to create one.

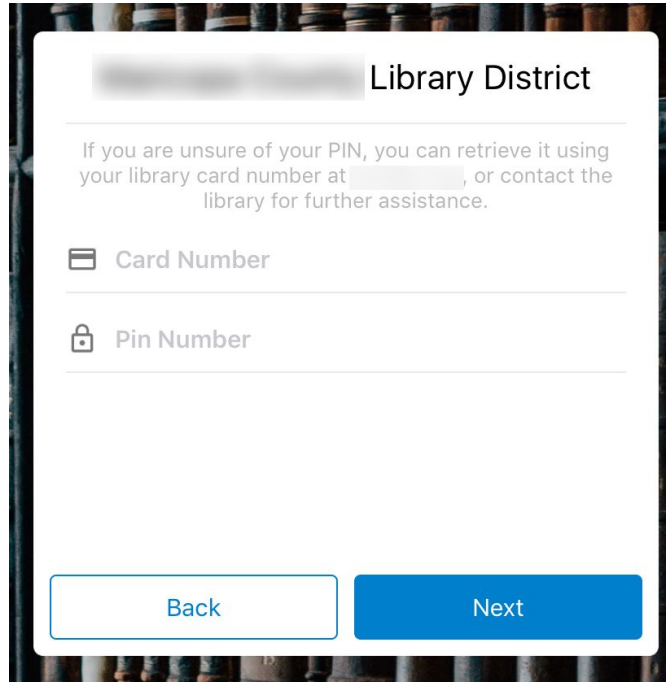

When creating an account, Hoopla will want to use the GPS on your device to find your library. **Tap Settings** to allow this, or **tap Cancel** to continue.

Turn On Location Services to Allow "Hoopla" to Determine Your Location

Settings   Cancel

For the next step, **tap or search for your library name**.

Choose Your Library

Nearby Libraries

Looking for libraries close to you. Please enable location services in the Settings app if you haven't already.

Q Search

The list includes over 1,500 library systems in the US and Canada that offer the hoopla service.

Back

Enter your library card and PIN, and then **tap Next**.
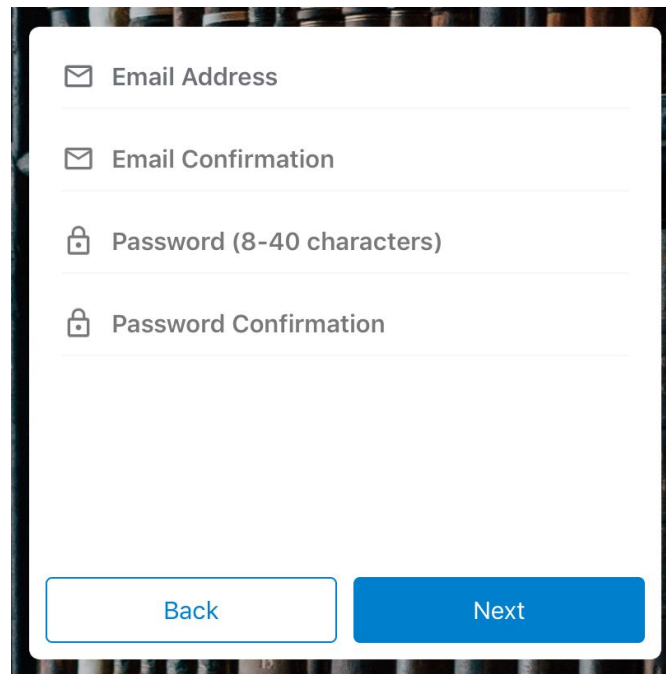

With your library information entered, **enter and confirm your email address and a password**. Then **tap Next**.

Your account is now created. **Tap the Continue button** to move on to the app.

Congratulations!

Your library offers audiobook, movie, music, comic, ebook and television titles through hoopla.

If you need any help using hoopla, please call us at ▮▮▮▮▮▮▮ and we'd be happy to assist you.

Continue

The first thing you will see is the My Hoopla tab. Here you will see the number of borrowed and recently returned titles. To see the app settings, **tap the Gear icon**.
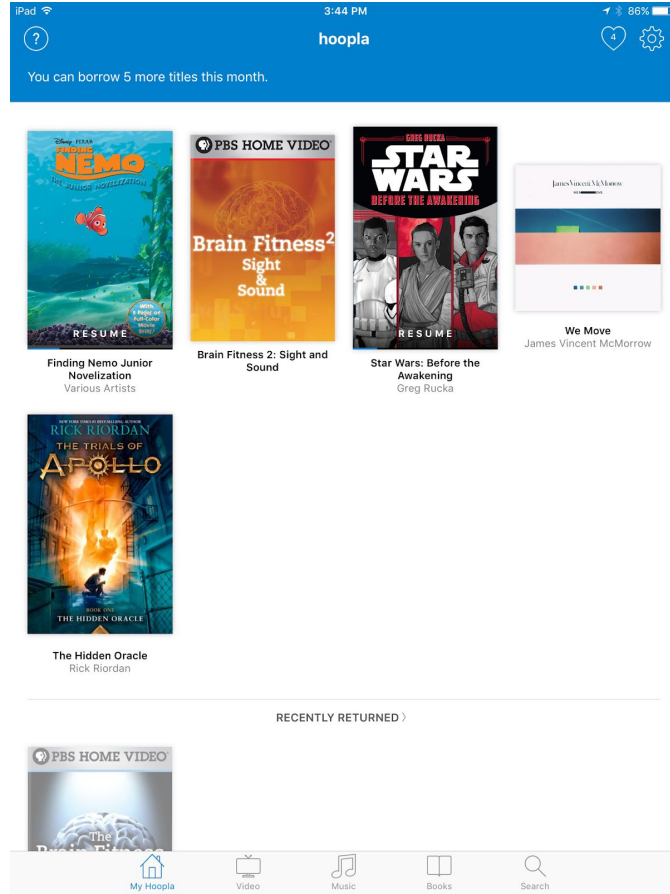

Here you can **tap the Kids Mode slider** to turn on or off a kid-friendly version of the app. You can also review your recommendations, personal, library, and notification settings. **Tap Back** to return to the main page and then **tap the Video, Music, or Book tab**.
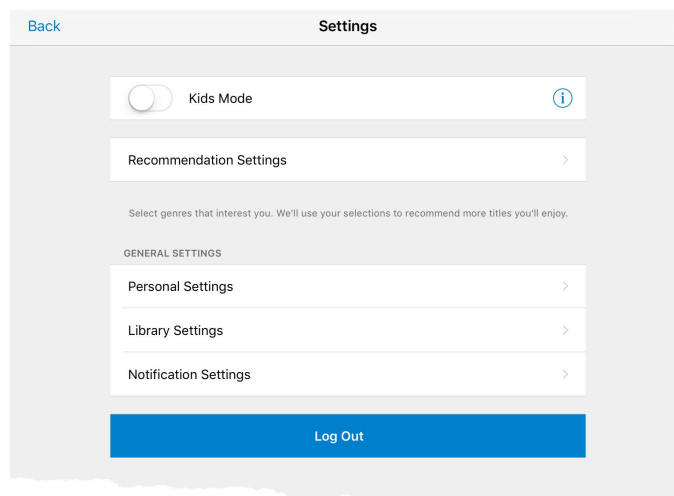

Hoopla presents titles in three different tabs—recommended, featured, and popular. **Tap a tab** to see different titles. If you don't like the suggested titles in the Recommended tab, scroll to the bottom of the page and **tap Edit your Recommendation Settings**.
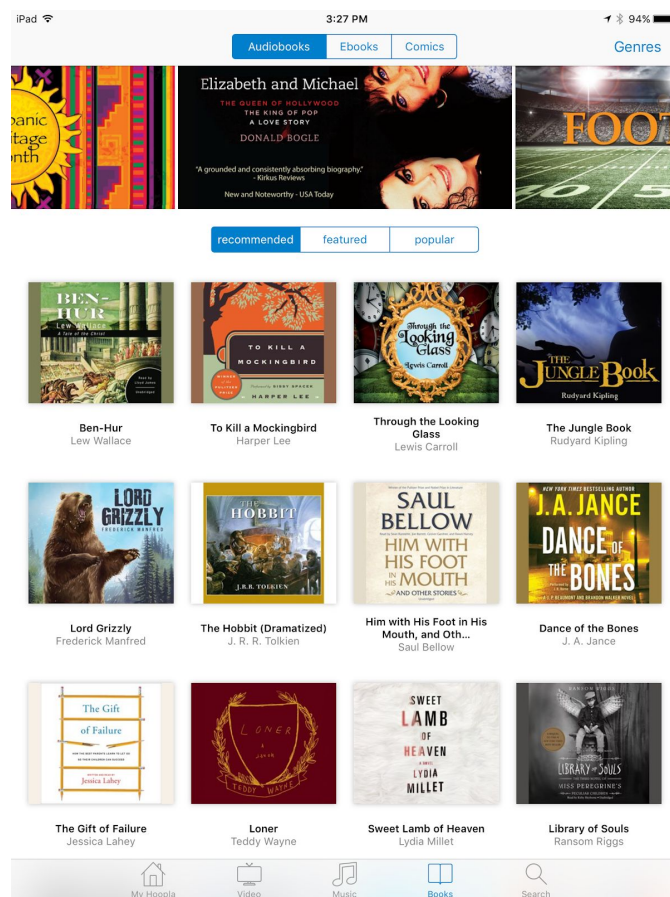

Tap the genres that interest you and Hoopla will automatically save your settings. **Tap Back** to continue browsing.
