REGISTER

NEED HELP?

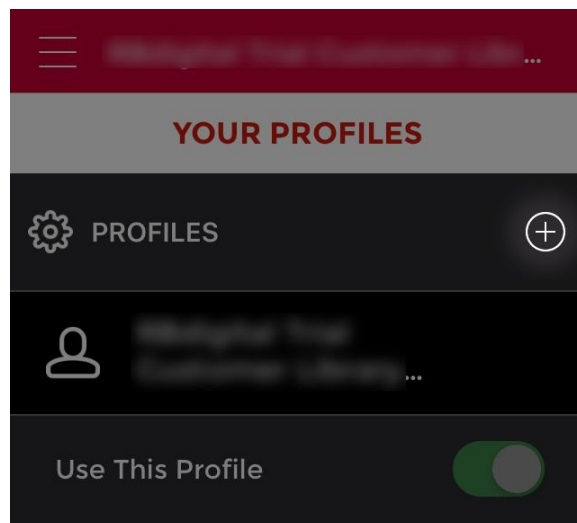

With that, you are now able to enjoy RBdigital. If you want to have more than one account on the same device, such as one for you and another for a family member, **tap the menu icon, tap My Account...**

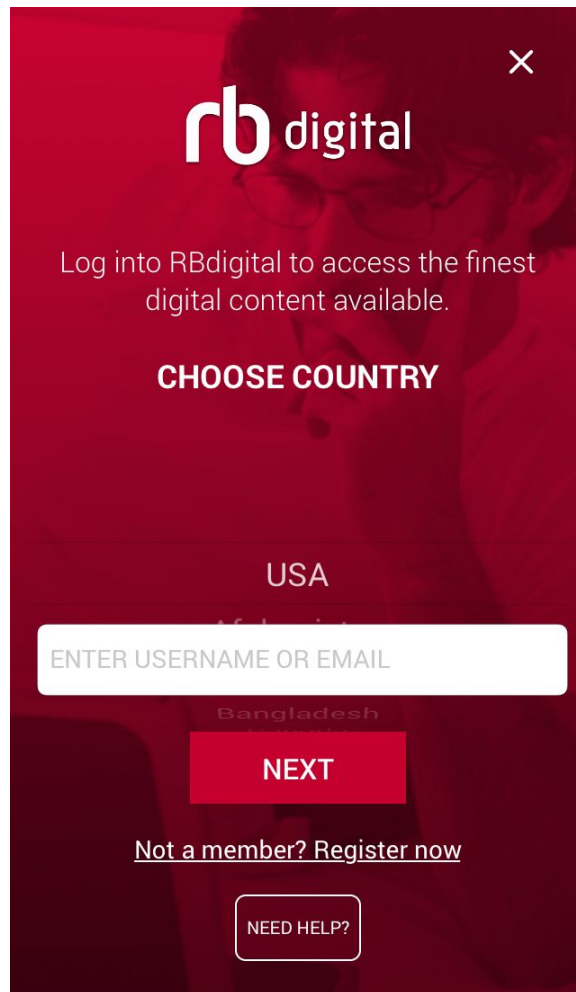

And **select Profiles.**

Tap the + button.

Go through the same process as before but with the information for your next account.

To switch between accounts, **tap the menu icon**, **select Your Profiles**, and select **the account** you'd like to use.
